

par DOLLAR DU ROUET et BELETTE COLICHERIE

A circular chart illustrating the hierarchy of wine appellations in the Cognac region. The chart is divided into concentric rings, with the outermost ring representing the most specific appellations and the innermost ring representing the most general. The chart is color-coded: dark blue for the most important appellations, light blue for secondary, and white for tertiary. The chart is divided into 12 segments, each representing a different appellation. The segments are arranged in a circular pattern, with the most important appellations at the top and the least important at the bottom. The segments are labeled as follows:

- Top Segment (Dark Blue):** 1 JALISCO B
- Top-Right Segment (Light Blue):** 2 ALME
- Right Segment (White):** 3 STARTER
- Bottom-Right Segment (Light Blue):** RENATA V
- Bottom Segment (Dark Blue):** EPSOM GESMERAY
- Bottom-Left Segment (Light Blue):** BELETTE COLCHERIE
- Left Segment (White):** SOUCHE DU ROUET
- Top-Left Segment (Light Blue):** EL IRA DU ROUET
- Top Segment (Dark Blue):** 1 JALISCO B

The chart also includes a legend in the bottom right corner, which defines the color coding for the appellations:

- Dark Blue:** Appellation d'Origine Contrôlée (AOC)
- Light Blue:** Appellation d'Origine Contrôlée (AOC) - Second Level
- White:** Appellation d'Origine Contrôlée (AOC) - Third Level
